CHAPTER 1 INTRODUCTION	1 -
1. Significance and Objectives of Reinsurance	1 -
(1) Reinsurance	1 -
(2) The Purposes and Functions of Reinsurance	1 -
(a) Stabilization of the Business Performance of Insurers	2 -
(b) Complementing the Underwriting Capacity of Insurers	3 -
2. Types of Reinsurance	4 -
(1) Classification by Contracting Procedures (Facultative Reinsurance and Treaty Reinsurance)	4 -
(2) Classification by Method of Liability Sharing (Proportional and Non-Proportional Reinsurance)	4 -
3. The History of Reinsurance	5 -
(1) Development of Reinsurance from its Birth to the Present Day	5 -
(2) Development of Reinsurance Types	6 -
4. Legal Aspects of Reinsurance.....	7 -
(1) Reinsurance Contract Document	7 -
(2) Practice	7 -
(3) Independence of Reinsurance Contracts	8 -
CHAPTER 2 FACULTATIVE REINSURANCE	9 -
1. Facultative Reinsurance	9 -
(1) Facultative Reinsurance.....	9 -
(2) The Use of Facultative Reinsurance	10 -
(a) Cases Where the Cedant Cannot Set Up Treaty Reinsurance	10 -
(b) Cases Where the Cedant Cannot Cede under Treaty Reinsurance	11 -
(c) Cases Where the Cedant Does Not Cede under Treaty Reinsurance Purposefully.....	11 -
(d) Cases Where Necessary Coverage Cannot Be Gained by Treaty Reinsurance ..	11 -
(e) Grasping the Trends of Rates and Conditions in the Reinsurance Market and Accumulating Underwriting Know-how.....	11 -
2. Mechanism of Facultative Reinsurance	12 -
(1) Content of Facultative Reinsurance Contracts.....	12 -

(2) Slip	12 -
(a) Offering Slips	12 -
(b) Reinsurance Slips	13 -
(c) A Reinsurance Slip and Its Main Items	13 -
(3) The Effects of the Reinsurance Slip (Reinsurance Liability between the Cedant and the Reinsurer)	16 -
CHAPTER 3 PROPORTIONAL REINSURANCE	17 -
1. Treaty Reinsurance	17 -
(1) Facultative and Treaty Reinsurance	17 -
(2) Types of Treaty Reinsurance	19 -
2. Mechanism of Proportional Treaties	20 -
(1) Wording of Reinsurance Contracts	20 -
(a) When Using Separate Contract Wording and Reinsurance Slip	21 -
(2) Period and Scope of Reinsurance Liability Borne by the Reinsurer	24 -
(a) Setting the Period on a Continuous Basis	24 -
(b) Underwriting Year	25 -
(c) Relationship between the U/W Year and the Period of the Original Policies	26 -
(3) "Run-off" Treaties	27 -
(a) What are "Run-off" Treaties?	27 -
(b) Administrative Process of "Run-off" Treaties	28 -
(4) "Clean-cut" Treaties	29 -
(a) What Are "Clean-cut" Treaties?	29 -
(b) Types of Residual Liability To Be Borne by the Reinsurer	29 -
(c) Withdrawal of the Residual Liability To Be Borne by the Reinsurer	31 -
(d) "Clean-cut" Treaties and Portfolio Transfers	32 -
(e) Calculation of the Premium Portfolio	33 -
(f) Calculation of the Loss Portfolio	36 -
(g) Advantages and Defects of the Clean-cut Method	37 -
(5) Scope of Cession to Treaty	38 -
(a) Class of Business	38 -
(b) Type of Contract	40 -
(c) Territorial Scope	41 -
(6) Conditions of Cession to Treaty	42 -
(a) Line Limit and Cession Limit	42 -
(b) Event Limit	44 -
(c) Exclusion	44 -

(d) Reinsurance Commission	44 -
(e) Profit Commission	48 -
(f) Deposits / Reserves	52 -
3. Types of Proportional Treaty	54 -
(1) Quota Share (Q/S) Treaty	55 -
(a) Characteristics of Q/S Treaties	55 -
(b) Ceding Ratio and Treaty Limit	57 -
(c) The Cession Limit and Proportional Liability Distribution between the Cedant and the Reinsurer	58 -
(2) Surplus Treaty	61 -
(a) Retention Tables and Characteristics of Surplus Treaties	61 -
(b) Cession Limit and Line Limit	63 -
(c) 1st Surplus Treaty and 2nd Surplus Treaty	64 -
(d) Method of Expressing Cession Limits, and Distribution of Insurance Liability between Cedants and Reinsurers	66 -
(3) Areas for the Application of a Q/S Treaty or a Surplus Treaty	69 -
(a) Situations for Which Q/S Treaties Are Applicable	69 -
(b) Situations for Which Surplus Treaties Are Applicable	70 -
(4) Facultative Obligatory Treaty, F/O Cover	71 -
(a) Characteristics of F/O Cover	71 -
(b) The Method of Expressing the Treaty Limit and the Sharing of Reinsurance Liability between the Cedant and the Reinsurer	72 -
(5) Combined Q/S & Surplus Treaties	75 -
(a) Characteristics of Combined Q/S & Surplus Treaties	75 -
(b) Distribution of Liability between the Cedant and the Reinsurer	77 -
(6) Variable Q/S Treaties	79 -
(a) Characteristics of Variable Q/S Treaties	79 -
(b) Coding and Setting Cession Ratio / Cession Limit	79 -
(c) Distribution of Liability between the Cedant and the Reinsurer	82 -
Column 1. Reinsurance Players	85 -
CHAPTER 4 NON-PROPORTIONAL REINSURANCE	87 -
1. XL and Non-Proportional Reinsurance	87 -
(1) Popularization of XLs	87 -
(2) Types of Non-Proportional Reinsurance	88 -
(3) Differences between XL and Proportional Treaties	88 -
2. The Mechanism of XL	90 -

(1) Function of XL	- 90 -
(2) The Scheme of XL	- 91 -
(3) Example: Recovery from XL	- 92 -
(4) Classification of XL	- 93 -
(a) "Working Cover" and "Catastrophe Cover"	- 93 -
(b) "Per Risk XL" and "Per Occurrence XL"	- 96 -
3. Important Conditions in Actual XL Practice	- 102 -
(1) Scope of Loss Covered by XL	- 102 -
(a) XL on a Loss Occurrence Basis	- 102 -
(b) XL on a Risk Attaching Basis	- 103 -
(c) Clause for Replacing "Loss Occurrence"	- 104 -
(2) Ultimate Net Loss Clause	- 105 -
(3) Net Retained Lines Clause	- 109 -
(4) The Definition of One XL Event	- 111 -
(a) Issues To Be Considered When Defining One XL Event	- 111 -
(b) Hours Clause	- 112 -
(c) Claim Series Clause TPX 1986	- 115 -
(5) Co-reinsurance	- 117 -
(6) XL Rating (Method of Calculating Reinsurance Premiums)	- 118 -
(a) Determining Reinsurance Premiums	- 118 -
(b) Rating	- 121 -
(7) Reinstatement of Reinsurance Liability	- 123 -
(a) What Is "Reinstatement"?	- 123 -
(b) Calculation of Reinstatement Additional Premium	- 124 -
(c) Definite Adjustment of Reinstatement Additional Premium	- 127 -
4. Non-Proportional Reinsurance Other Than XL	- 130 -
(1) Aggregate Cover	- 130 -
(2) Stop Loss Cover	- 131 -
(3) First Loss Cover	- 131 -
(4) Facultative Excess of Loss (Fac. XL)	- 132 -
Column 2. The Market Cycle	- 133 -

CHAPTER 5 SEVERAL FACTORS REGARDING RETENTION DECISIONS AND THE COORDINATION OF REINSURANCE COVER - 135 -

1. Concept of Retention	- 135 -
(1) Purpose of Retention	- 135 -
(2) Type of Retention	- 136 -

(a) Retention Based on Insured Amounts and Retention Based on Losses	136 -
(b) Retention for Individual Risk and Retention for Accumulated Risk	136 -
(c) Retention for Annual Loss Amount (Ratio)	137 -
2. Several Factors Relating to Retention Decisions	137 -
(1) Characteristics of Portfolio.....	137 -
(a) Uniformity of Insured Amounts	137 -
(b) Number of Written Policies	137 -
(c) Premium Income.....	138 -
(2) Insurer's Capital Adequacy	138 -
(a) Net Assets	138 -
(b) Underwriting Reserve	138 -
(c) Size of Total Assets	139 -
3. Decision of Retention	139 -
4. Benefits of Various Types of Reinsurance Cover	140 -
(1) Facultative Reinsurance and Surplus Treaty	140 -
(a) Certainty of Reinsurance Arrangement	140 -
(b) Continuity of Reinsurance Cover	141 -
(c) Flexibility of Reinsurance Arrangements	141 -
(d) Administration for Reinsurance Arrangement and Policy Management	142 -
(e) Understanding Trends in the Reinsurance Market	142 -
(2) Surplus Treaty and XL	144 -
(a) Effects of Reinsurance Cover According to Type of Loss	145 -
(b) Scope of Reinsurance Cover and Its Limitation.....	146 -
(c) Follow the Fortunes.....	146 -
(d) Continuity of Reinsurance Cover	147 -
(e) Flexibility of Reinsurance Cover.....	147 -
(f) Administrative Work Related to Reinsurance Procedures Carried Out by Cedants and Reinsurers	148 -
(3) Factors for the Selection of Reinsurance Cover by the Cedant	152 -
5. Areas Suitable for Each Reinsurance Cover.....	154 -
(1) Characteristics of Risks and Reinsurance Cover	154 -
(a) Reinsurance Cover for Large Amount Risks	154 -
(b) Reinsurance Cover for Accumulative Risks	154 -
(c) Reinsurance Cover to Deal for Specific / Specialty Risks	155 -
(2) Class of Business and Reinsurance Cover	155 -
(a) Property Insurance / Movables Comprehensive Insurance	155 -
(b) Engineering Insurance	155 -

(c) Personal Accident Insurance	- 156 -
(d) General Liability Insurance / Workers' Accident Compensation Insurance.....	- 156 -
(e) Bond Insurance / Credit Insurance	- 157 -
(f) Auto Insurance	- 157 -
(g) Marine Insurance	- 157 -
6. Reinsurance Pool	- 160 -
(1) Mechanism	- 160 -
(a) Offering	- 161 -
(b) Allocation	- 161 -
(c) Allocation Share	- 161 -
(2) Functions of a Reinsurance Pool	- 161 -
(a) Spread of Risks	- 161 -
(b) Provision of Stable Capacity	- 161 -
(c) Securing of Advantageous Reinsurance Conditions.....	- 162 -
Column 3. Reinsurance Markets Around the World.....	- 163 -
